

MiBAP is a non-profit membership organization of providers whose mission is to promote access to the science of applied behavior analysis (ABA) through advocacy, education, and quality practices.

MIBAP achieves this mission by actively:

### **Advocating**

Advocating for the use of ABA services in environments where behavioral interventions can improve performance and well-being.

### **Promoting Access and Quality**

Promoting access and quality to ABA services by supporting a robust provider network throughout the state.

### **Educating**

Educating the public on the science of ABA and the benefits and cost savings achievable through effective interventions.

MIBAP benefits include:

- Member-only updates on Michigan licensing, policy, regulations, and service rates
- Access to MiBAP resources, training, and expertise in legislative & lobbying efforts
  - Participation in ABA-related educational webinars with CEU opportunities
- Access to provider survey data & outcome-based success metrics for ABA services
- Networking opportunities to share and promote ABA best practices and standards
  - Access to member-only events with key Michigan leaders and legislators
- Use of the MiBAP logo and credentials on company website & marketing materials

Membership benefits are for all employees of a facility.
